

Curriculum Vitae

Patrick Mikael Jern, Ph.D.

B. Jan 31, 1979 in Vaasa, Finland (Finnish citizen)

Department of Psychology and Logopedics, Åbo Akademi University

FIN-20500 Turku, Finland

Telephone: +358 2 215 4408 (office); +358 500 122 333 (mobile), Fax: +358 2 215 4534

patrick.jern@abo.fi](http://www.cebg.fi/patrick.jern@abo.fi)

Degrees

- *Ph.D.*, Åbo Akademi University (2010) ⁱ
- *Licensed psychologist* (2005)
- *M. Psych.*, Åbo Akademi University (2005)
- *Matriculation Examination*, Vasa Övningsskola Upper Secondary School (1997)

Further Education

- *University Pedagogics I*, Åbo Akademi University (in progress; completion December 2012)
- *Specialist in Sexological Counseling, Nordic Association for Clinical Sexology (NACS)* (seksuaaliterapeutti, erityistaso; NACS), Jyväskylä School of Applied Sciences (in progress; completion December 2012)
- *Sexological Counseling* (seksuaalilineuvoja), Jyväskylä School of Applied Sciences (2011)
- *Genomic and Proteomic Data Analysis*, Summer Institute in Statistical Genetics, Liège, Belgium (2007)
- *Association Mapping*, Summer Institute in Statistical Genetics, Liège, Belgium (2007)
- *Genetics of Behavior*, Tartu, Estonia (2007)
- *Twin Model Fitting*, Behavioural Genomics Summer School, London, UK (2005)
- *Twin Research Methodology*, Helsinki, Finland (2005)

Current Academic Positions

- *Adjunct Professor, Sexual Psychology* (seksuaalipsykologian dosentti), University of Turku (2011–)
- *Post-Doctoral Researcher*, Department of Psychology and Logopedics, Åbo Akademi University (three-year position through the Academy of Finland, 2011–2013)
- *Lecturer*, hourly basis, Department of Psychology and Logopedics, Åbo Akademi University (2004–)

Former Academic Positions

- *Post-Doctoral Research Fellow*, Institute of Neuroscience and Physiology, Department of Pharmacology, Sahlgrenska Academy, University of Gothenburg, Sweden (2010)
- *Supervisor*, Police College of Finland (2009)
- *Researcher/PhD Student*, Center of Excellence in Behavior Genetics, Department of Psychology, Åbo Akademi University (2005 – 2010)
- *External Lecturer* (hourly basis), Center for Continued Education, Åbo Akademi University (2004–2006)
- *Clinical Psychology Practice*, Vanha Vaasa state mental Hospital, Vaasa, Finland (2004)

ⁱ Ph.D. thesis awarded the highest academic grade (*laudatur*), and the Harry Elving Research Award for the best doctorate thesis of the academic year 2009-2010 by the rector of the Åbo Akademi university.

Administrative Positions and Assignments

- Member-elect, Planning Committee, Dept. of Psychology, Abo Akademi University (2009–2010)
- Member, Development of Teaching Curriculum Work Groups (*Clinical Psychology* and *Biological Psychology*), Department of Psychology and Logopedics, Abo Akademi University (an effort conducted as part of a Center of Excellence in Pedagogics grant program awarded to the top two teaching institutions at the Abo Akademi University; 2011–2015).

Other Relevant Work Experience

- Consultant (project basis), conducting clinical interviews and applicant assessments, Psykologitiimi Päämäärä OY, Turku, Finland (2009–)

Teaching Experience (Undergraduate, Graduate and Post-Graduate Level Courses)

Principal Course Administration and Major Contributions to University Courses

Undergraduate level

- *Theory and Research in Psychology*, Center for Continued Education, Abo Akademi University (principal course administrator, examiner and lecturer, 2004–2006) 8 ECTS
- *Basics of PC Use and Computer Networking*. Department of Psychology, Abo Akademi University (principal course administrator, examiner and lecturer, 2004–2006) 2 ECTS
- *Biological Bases of Behavior*. Department of Psychology and Logopedics, Abo Akademi University (1–2 lectures and co-planning of course design and examination 2006–2009; principal course administrator, examiner and lecturer 2010–2011) 6 ECTS
- *Quantitative Research Methodology for Psychologists*. Department of Psychology, Abo Akademi University (2 lectures and co-planning of course design and examination; 2009) 6 ECTS
- Research seminars (supervising academic theses in Swedish at Bachelor's level), Police College of Finland (principal administrator, 2009)
- *Bachelor Degree Research Seminars*. Department of Psychology and Logopedics, Abo Akademi University (principal course administrator, examiner and lecturer, 2010–2012) 10 ECTS
- *Male and Female Sexual Dysfunctions*. Department of Psychology and Logopedics, Abo Akademi University (principal course developer, planner, administrator, examiner and lecturer, 2011) 4 ECTS

Graduate and doctorate level

- *Doctorate level research seminars*. Doctorate level course at the Department of Psychology and Logopedics, Abo Akademi University (2011–) 5 ECTS
- *Research seminars in behavior genetics*. Graduate and postgraduate level research seminars at the Department of Psychology and Logopedics, Abo Akademi University (2012–)
- *Half-term dissertation exercise for doctorate students*. Doctorate level course at the Department of Psychology and Logopedics, Abo Akademi University (2011–) 5 ECTS

Guest Lectures and Miscellaneous

- *Research Methods in the Social Sciences* and *Genetics of Ejaculatory Disorders*. Two lectures delivered at doctorate level research seminars. Department of Pharmacology, Sahlgrenska Academy, University of Gothenburg, Sweden (2010)
- Annual guest lectures at the courses *Sexology* and *Psychological Science*. Department of Psychology and Logopedics, Abo Akademi University (2006–)

Supervising Experience

- Doctorate Thesis: Emilia Bergen (in progress).
- Master's Theses: Annika Gunst, Jannike Höglund, Sebastian Björkstrand (completed); Timo Harju (in progress).

In addition, I have supervised more than 20 Bachelor's theses.

Invited Lectures and Keynote Presentations

- **Jern, P.** (2012). *Towards improved diagnostic criteria and treatment interventions for early ejaculation*. Invited lecture at the 34th International conference of the Nordic Association for Clinical Sexology to be held in Helsinki, Finland on October 4, 2012.
- **Jern, P.** (2011). *Ejaculatory and orgasmic disorders – Premature ejaculation. Classification, prevalence and predictors, risk factors, and psychological treatment*. Invited lecture at the *Master Course: ABC in Sexual Medicine*, during the 14th Congress of the European Society for Sexual Medicine in Milan, Italy on December 1, 2011.
- **Jern, P.** (2010). *Psychometric tools and measurements for PE: Are they a waste of time or should they be part of the standard clinical work-up?* Invited lecture at the 13th Congress of the European Society for Sexual Medicine in Malaga, Spain in November, 2010.

Advisory Boards and Reference Groups

- European Society for Sexual Medicine: Official Member – *ESSM Scientific Committee* (Men's Sexual Health Subcommittee; 2012–2013)
- American Psychiatric Association: Scientific Advisor – *DSM-5 Work Group for Sexual and Gender Identity Disorders* (for preparation of the 5th Edition of the *Diagnostic and Statistical Manual of Mental Disorders*; 2011–)
- European Academy of Andrology: Committee on Acquired Premature Ejaculation, Member of International Expert Panel – *First international consensus conference on the definition and diagnostic guidelines of acquired premature ejaculation* (2008).

Scientific Positions of Trust

- Chairman, roundtable plenary discussion on “*How may SSRIs eventually affect sexual behavior, sexual function and sexual dysfunction?*” at the 15th annual conference of the European Society for Sexual Medicine to be held in Amsterdam, the Netherlands in December, 2012.
- Session Chairman, “*Seksuaalisuuden ongelmat ja häiriöt*” plenary session at the Psykologia 2012 conference in Turku, Finland in August, 2012.
- Chairman, roundtable plenary discussion on “*Adolescentology: Epigenetic modulation of the psychosexual behavior*” at the 12th annual conference of the European Society for Sexual Medicine in Lyon, France in November 2009.

Selected Presentations at International Congresses and Events

- **Jern, P., & Piha, J.** (2012). *An analysis of the reliability and validity of three diagnostic instruments for early ejaculation: Results from clinical and population-based samples*. Oral presentation to be held at the ESSM 2012 conference in Amsterdam, the Netherlands in December, 2012.

- **Jern, P.**, Westberg, L., Johansson, A., Gunst, A., Eriksson, E., Sandnabba, N.K., & Santtila, P. (2011). *Polymorphisms in the serotonin 1B receptor gene are associated with self-reported ejaculation latency time*. Highlighted poster (incl. oral presentation) presented at the 14th Congress of the European Society for Sexual Medicine in Milan, Italy in December, 2011.
- Kerekes, N., Lundström, S., **Jern, P.**, Tanjia, A., Brändström, S., Råstam, M., Lichtenstein, P., & Anckarsäter, H. (2011). *Childhood disruptive behavior disorders: phenotypes, neuropsychiatric predictors, and genetic background effects*. Poster presented at the 3rd European Conference on Schizophrenia Research in Berlin, Germany in September, 2011.
- **Jern, P.**, Santtila, P., Westberg, L., Corander, J., Eriksson, E., & Sandnabba, N.K. (2010). *Associations of polymorphisms in the oxytocin and vasopressin 1A receptor genes with premature ejaculation*. Oral presentation at the 13th Congress of the European Society for Sexual Medicine in Malaga, Spain in November, 2010.
- **Jern, P.**, Santtila, P., Westberg, L., Walum, H., Pedersen, C.T., Eriksson, E., & Sandnabba, N.K. (2010). *Genotyping premature ejaculation*. Oral presentation at the 13th International Congress on Twin Studies in Seoul, South Korea in June, 2010.
- **Jern, P.**, Santtila, P., Johansson, A., Varjonen, M., Witting, K., von der Pahlen, B., & Sandnabba, N.K. (2008). *Genetic and environmental effects on ejaculatory function*. Poster presented at the 5th European Congress of Andrology in Rome, Italy in November 2008.
- **Jern, P.**, Santtila, P., & Sandnabba, N.K. (2006). *Genetic and environmental effects on rapid and delayed ejaculation*. Oral presentation at the 36th annual meeting of the Behavior Genetics Association in Storrs, CT, USA in June 2006.

In addition, I have featured as a co-author (i.e. not as presenter or first author) on tens of oral presentations and posters at various international conferences.

Selected Presentations at National Congresses and Events

- **Jern, P.** (2012). *Ennenaikaisen siemensyöksyn etiologia: Ovatko diagnoosikriteerit perusteltuja?* Oral presentation at the Psykologia 2012 conference in Turku, Finland in August, 2012.

Grants and Research Funding Awarded (total: €341,750<)

- € 21,600 – Post-doctoral research grant from the Stiftelsen för Åbo Akademi Foundation (principal applicant; for 2011) ⁱⁱ
- € 286,950 – Post-doctoral researcher project funding Grant No. 138291 from the Academy of Finland: *“Premature ejaculation: Genetic polymorphism effects and their interaction with dapoxetine treatment, behavioral interventions and testosterone levels”* (principal applicant; for 2011-2013)
- € 2,000 – Research funding granted from the Stiftelsen för Åbo Akademi Foundation for collecting DNA from a clinical sample (principal applicant; 2010)
- € 28,200 - Researcher training and research abroad Grant No. 136263 from the Academy of Finland: *“Polymorphism effects on ejaculatory function and on receptivity to treatment of premature ejaculation with selective serotonin reuptake inhibitors”* (principal applicant; for 2010).

ⁱⁱ Declined (mutually exclusive with other simultaneously awarded research funding)

- € 3,000 – Starting grant for PhD research from the Department of Psychology, Abo Akademi University (principal applicant; for October-December 2005).

In addition, I have received numerous travel grants (e.g. for attending conferences).

Prizes and Awards

- *Harry Elving Researcher Award* (2010) – Prize awarded by the Rector of the Abo Akademi University for the best doctoral thesis by a university affiliate (€ 8,000).

Editorial Board Memberships

- *Nordic Psychology* (2010–)
- *Journal of Sex & Marital Therapy* (2012–)

Reviewing Assignments (number of completed reviews in parentheses)

- *Ad hoc* reviews for *Biological Psychiatry* (1), *Biological Psychology* (1), *PLoS One* (2), *Psychological Medicine* (1), *Twin Research and Human Genetics* (1), *Journal of Sexual Medicine* (28), *Journal of Sex & Marital Therapy* (2), *Nordic Psychology* (2), *Recent Patents on CNS Drug Discovery* (1), and *Yonsei Medical Journal* (1).
- Invited expert commentary (for a manuscript pertaining to the development of improved diagnostic criteria of ejaculatory dysfunctions in the DSM-5):

Morales, A., Zargooshi, J., **Jern, P.**, et al. (2010). Comments on “Considerations for an Evidence-Based Definition of Premature Ejaculation in the DSM-V”. *Journal of Sexual Medicine*, 7, 680-681.

- Review of the following Master’s theses in psychology for the Abo Akademi University:

Djingis Hongell (2012); Mira Karlsson (2012); Johanna Herrala (2011); Elin Melakari (2010); Marie Roman (2010); Lisa Svartsjö (2009); Anna Lind (2009); Camilla Lindström (2008); Mikaela Pätt (2008); Johanna Lindroos (2007)

Board Memberships / Memberships of Professional Bodies

- Vice President, *Finnish Society for Sexual Medicine* (Suomen Seksuaalilääketieteellinen Yhdistys r.y.; 2010–)
- Member:
 - Finnish/European/International Society for Sexual Medicine
 - Behavior Genetics Association
 - Finnish Psychological Association (Suomen Psykologiliitto r.y.)
 - Finnish Association for Sexology (Suomen Seksologinen Seura r.y.)

Language Skills

- Swedish, English, and Finnish (excellent, both oral and written)
- German (basic)
