

Postdoc Position in Stochastics

The research project *Applied Markov Processes* at Åbo Akademi University, funded by the Academy of Finland, invites applications for a postdoc position for a duration of two years, 1 January 2010 – 31 December 2011. A one-year appointment and an earlier start are also possible.

The application deadline is 9 October 2009.

The person chosen will be employed by the Department of Mathematics of Åbo Akademi University. The monthly salary is currently about EUR 2750.

The senior scientists in the stochastics research group at Åbo Akademi University are Professor Paavo Salminen, Professor Göran Högnäs and Docent Juha Vuolle-Apiala. For more information please contact Professor Salminen, e-mail: phsalmin@abo.fi, web page: <http://web.abo.fi/fak/mnf/mate/Paavo/>

Applicants should have a recent PhD or an equivalent degree and must demonstrate strong capacity for independent research.

The application should include the following items:

1. Curriculum vitae.
2. A description of the research interests and previous research of the applicant.
3. Scanned copies of all relevant diplomas (with officially confirmed English translations if not in Finnish, Swedish, English, French or German).
4. Contact information of two persons willing to give references or two letters of reference.

Please send your applications by e-mail to
