

# **Title (Times New Roman, 14 pt, bold, center aligned)**

Authors, Times New Roman, 12 pt, left aligned

*Author's affiliation, corresponding.author@email, Times New Roman, 12 pt, italics, left aligned*

Text written in English

A4 format

Left, right, top and bottom margins should be 2.5cm

No page numbers, maximum 2 pages including tables and figures and references

Single line-spacing, full justification

Font Times New Roman, 12 pt (text) and 10 pt (references)

Example:

## **Introduction (Times New Roman, 12 pt, bold)**

Text

## **Experimental**

Text

The conditions of the experiments are listed in Table 1.

Table 1. Temperature and pressure.

Catalyst	Temperature (°C)	Pressure (bar)
A	50, 70, 90	20, 40, 60
B	20, 40, 50	2, 5, 10

## **Results and discussion**

Text

The results are displayed in Fig. 1.

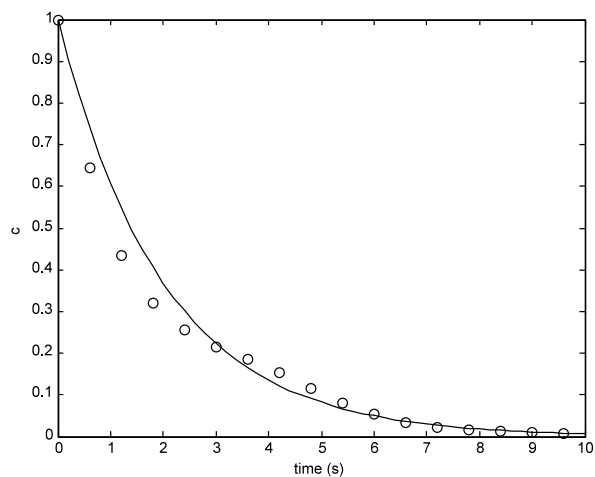

Figure 1. Experimental data.

All bibliographical references should be indicated in the order that they appear [1].

## Conclusions

Text
