

Johan Gadolin
Process Chemistry Centre

Johan Gadolin Process Chemistry Centre (**PCC**)

Annual Symposium 2016

Thursday, August 25, 2016

Auditorium A, Gadolinia, Porthansgatan 3, ÅBO

PROGRAM

8.30 **Registration and coffee**

First session, chair Professor Tapio Salmi

9.15 Rector of Åbo Akademi University, Professor Mikko Hupa

Welcoming address

Professor Stefan Willför

Highlights of PCC 2015-2016

9.45 Professor Dmitry Murzin

The research plan of PCC for 2017-

10.00 Professor Jacob Moulijn (TU Delft)

Johan Gadolin lecture: Biomass to fuels or rather to chemicals?

11.00 **Break**

Second session, chair Professor Stefan Willför

11.15 Dr. Lars Gädda, Chair of *Forum for Society*

Challenges of PCC from the *Forum for Society* perspective

11.30 10 **PCC** Flash presentations of PhD students, organizer Docent Anna Sundberg.

Laura Aalto-Setälä, Meheretu Diberba, Elisa Hupa, Ekaterina Korotkova, Ewelina Kortesmäki, Sara Lund, Sabine Rendon, Soudabeh Saeid, Vladimir Shumilov, Wenyang Xu

12.30 **Lunch, coffee, poster session and networking**

Third session, chair Professor Johan Bobacka

14.00 **PCC** Research highlights,

Dr. Tomasz Sokalski, **UNISEP multi-sensor probe for wireless monitoring.**

Dr. Oskar Karlström, *Title to be announced*

MSc. Ida Mattsson, *Title to be announced*

15.00 **Break**

15.15 **PCC** Research highlights,

Dr. Anders Strand, *Title to be announced*

MSc. Lucas Lagerquist, *Title to be announced*

Dr. Pasi Tolvanen, **Process intensification by microwaves and heterogeneous catalysts in the epoxidation of vegetable oils**

19.00 **Dinner**

Restaurant *Hus Lindman*, Biskopsgatan 15
