

ÅBO AKADEMIS STUDENTKÅR

THE STUDENT UNION OF ÅBO AKADEMI UNIVERSITY

Membership

Membership of a student union is compulsory by law for all Finnish undergraduate students – and for those international students who are studying for a Finnish degree (bachelor's or master's). **Exchange students** studying in Finland for three months or more can join a student union if they want to, but it is not compulsory. The Student Union of Åbo Akademi University (ÅAS) is a public corporation completely independent of Åbo Akademi University. The role of ÅAS is to represent its members, to advance the position of students in society and provide them with services ranging from consultations with lawyers and experts to student traditions. The student unions in Finland form the National Union of Finnish University Students (FSF). **The membership fee at the Student Union of Åbo Akademi University is 69.00 euros for the academic year 2026 - 2027** (34.50 euros for fall semester, 34.50 euros for spring semester) and should be paid prior to registration at the University.
