

POKE symposium

Tallinn University of Technology
Mektory house, TTÜ campus, Raja 15
11-12.12.2013

Wednesday

9:30 *Morning coffee with snacks*

Chairman Academy Professor Tapio Salmi

10:00 *Dean Prof Tõnis Kanger, Greetings of the Faculty of Science*

10:15 *Prof. Mihkel Kaljurand, Chemical analysis in harsh conditions (on other planets)*

11:00 *Doc. Maria Kuhtinskaja, MALDI and ESI-MS - examples of practical applications*

11:45 *Coffee break*

12:00 *Niina Koivikko (FTIR-PAS)*

Jana Kazarjan (Electrophoresis)

Sari Hyvärinen (HPLC)

13:15 *Lunch*

14:30 *Tuomas Nevanperä (on site FTIR)*

Sabrina Schmidt (Micro GC)

Adjournment

16.00 – 17.30 *Visit to Tallinn City Museum (Vene st 17)*

18.30 – 20.00 *Guided walk in Old Town (Starts from Hotel and ends at the restaurant)*

20.00 - *Dinner at restaurant Ribe (Vene st. 7)*

Thursday

Chairman Academy Professor Tapio Salmi

10:00 Prof. Tõnis Kanger, TTU – Organocatalysis

10:45 Dr. Indrek Aarna - Developments in shale oil production

11:30 Coffee break

11:45 Doc. Riina Aav - Prospects and limits in NMR spectroscopy,

12.30 Kristiina Kreek (supercritical fluid extraction)

13:00 Lunch

14.15 Dr. Indrek Reile, Geopolymerization of oil shale ash and solid state NMR analyses

15.00 Discussion of upcoming events and other relevant issues

Adjournment
