RESEARCH PLAN

In order to be evaluated, the research plan needs to be written according to these instructions:

- The research plan must be no more than **three (3) pages long**, including tables, pictures, graphs etc.
- The list of references does not count towards the length of the research plan.
- The font is Times New Roman (font size 12 pt, line spacing 1,15 and margins 20 mm).
- All bibliographic references must be added directly into the text: (Author(s), Year). You cannot use footnotes.

The structure of the research plan (please use these headlines):

[Title of the project]

1. Abstract (max half a page)
2. Background and objectives of project
3. Research methods and material
4. Research ethical issues connected to the project
5. Implementation
6. Expected research results and possible risks

References

Chapter 5. Implementation should include

- time schedule for the whole project (4 years) and description of project phases (both finished and upcoming)
- when applying for a max 12 month grant: describe/note the project phases that are planned to be implemented during the applied for grant period

Please upload the research plan as a pdf file in the online application.
