

ISB Spring Meeting 30.-31.5.2005  
Yyterin Kylpylähotelli

PROGRAM

National Graduate School in  
Informational and Structural Biology

Monday 30.5.

- |             |  |
|-------------|--|
| 8.45        | Bus transportation from Turku (in front of Biocity) to Yyteri via Pori railway station |
| 10.55       | Bus transportation from Pori railway station to Yyteri Kylpylähotelli                  |
| 11.30       | Check-in at the Hotel  |
| 12.00       | Lunch at Yyteri Kylpylähotelli   |
| 13.00       | Arja Kallio, Academy of Finland, "Academy of Finland and funding instruments"          |
| 14.10       | Virve Rauhamäki "Characterisation of cytochrome C oxidase by ATR-FTIR"                 |
| 14.35       | Coffee break   |
| 15.00       | Lari Lehtiö "Automated protein crystallization facility at University of Helsinki"     |
| 15.25       | Mikko Purmonen "Stability of xylanases studied by molecular dynamics"                  |
| 16.00       | Closing of the day   |
| 16.30-18.30 | Minigolf   |
| 17.00-20.00 | Sauna at the spa   |
| 20.00       | Dinner   |

Tuesday 31.5.

- 7.00-10.00     Sauna open
- 8.00             Breakfast (Room check-out before 12.00)
- 9.00             Eero Vuorio, University of Turku, "Good scientific practice"
- 10.30            Topi Heikkerö, University of Helsinki, "Science, society and ethics"
- 12.00            Lunch at the hotel
- 13.00            Tapio Lönnberg "Systems biology in studies of protein interactions and complexes"
- 13.25            Lenita Viitanen "Structural modeling of sterol carrier protein-2 from Plants"
- 13.50            Coffee break
- 14.20            Anni Kauko "X-ray absorption spectroscopy: Structural insights into biological metal coordination."
- 14.45            Mikko Vainio "Common subgraph isomorphism. Algorithms and applications."
- 15.10            Closing of the meeting
- 15.30            Departure. Bus goes via Pori railway station to Turku

Ministry of Education
